I. INTRODUCTION

Centennial Hall is a modern public event facility. With its 35,000 square feet of rental space, Centennial Hall can accommodate almost any size and type of event. The 14,000 square foot main hall can be used for conventions, exhibits, dances, concerts, and banquets. Other rooms of varying size are available for receptions, dinners, seminars, and meetings. A spacious patio and barbecue area is also available.

The facility provides versatile set-ups for all events, offering a wide variety of services and equipment such as portable tables, chairs, stages, dance floors, a ticket booth, and lighting and sound systems. There is a banquet kitchen as well as a home-style kitchen on the premises. Uniformed security personnel and closed circuit surveillance provide maximum protection around the clock.

Centennial Hall can provide the setting, space, equipment, and skilled personnel to make any gathering a success.
